Greetings to Sharon, Jay & Issa!

According to the record book kept by my jolly elves, 67% of the Mitchell household was nice this past year, and 33% was naughty. (It is our policy not to divulge details.)

Since this is above the world niceness average (which hovers at about 43%), the entire workshop took a vote and decided to give none of you coal or pony crap this year.

So it is my pleasure, on behalf of Mrs. Claus and the entire minuscule gang, to wish you all a Merry Christmas and a Happy New Year. And I'd especially like to encourage the 33% to get with the program, Jay. (Oops. Ho ho ho.)

Your frozen friend from the North,

Santa
